Introduction to Process Mining

Free Video Process Mining Fundamentals from the Celonis Academic Alliance

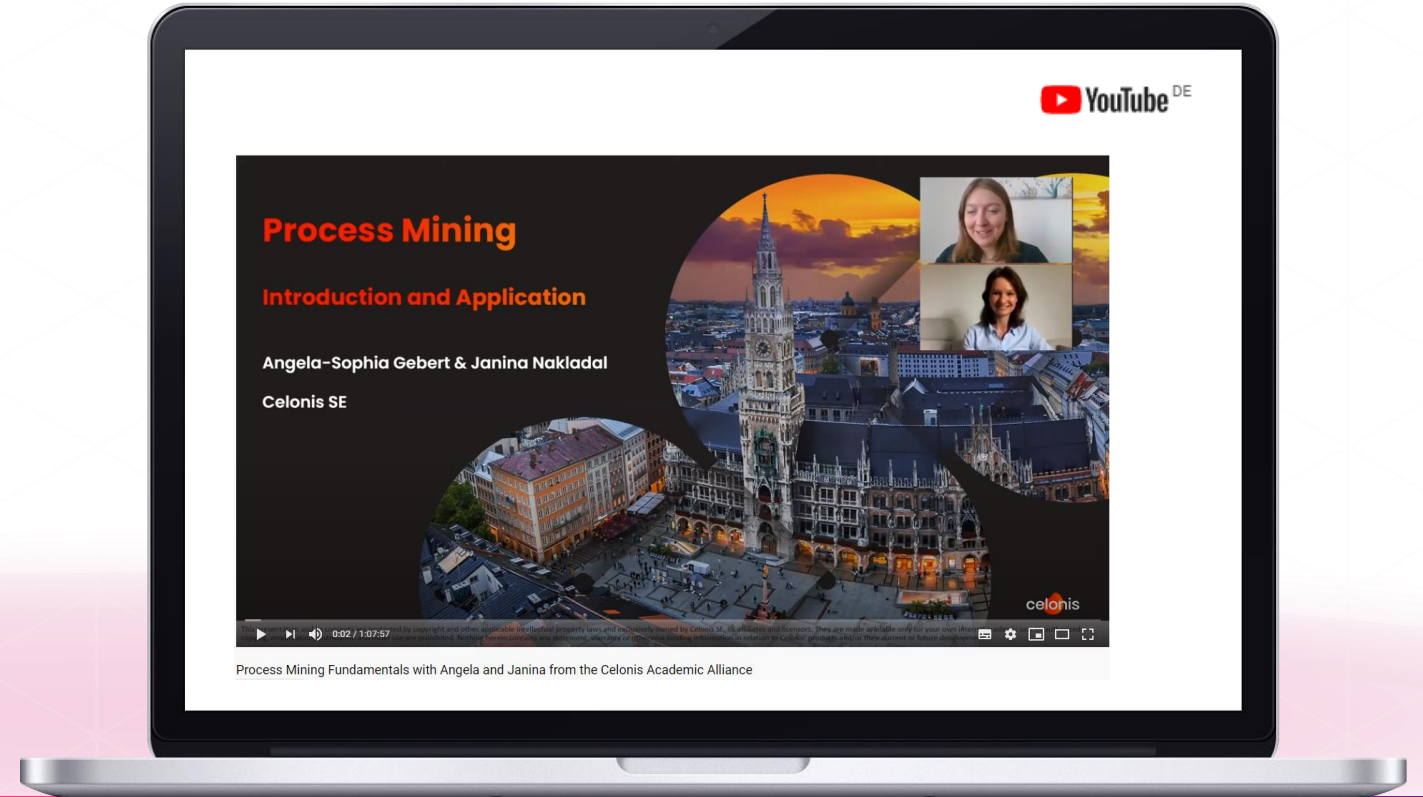

We produced an introductory video lecture that teaches the following contents:

1. Why are processes important?
2. What is Process Mining?
3. Applied Process Mining with Celonis
4. Organizational Change with Process Mining

You can watch it in two formats

- full lecture (about 1 hour)
- mini-series with 4 episodes

on YouTube!

celonis
