We regret that our study does not credit Kristina Holmqvist Gattario and Ann Frisén as the translators of the BAS-2 into Swedish. In our study, we used their translation. This omission was an unintentional oversight.

Anyone who wishes to reference the Swedish BAS-2 as presented in our Appendix C (p. 8)*, should credit Holmqvist Gattario and Frisén (2019). The correct reference for the Swedish BAS-2 is provided below:

Holmqvist Gattario, K., & Frisén, A. (2019). From negative to positive body image: Men's and women's journeys from early adolescence to emerging adulthood. *Body Image*, 28, 53–65. doi:10.1016/j.bodyim.2018.12.002

*Of note, Item 6 (Jag älskar min kropp) presented in our Appendix C (p. 8) was modified from Holmqvist Gattario and Frisén's original Item 6 (Jag känner kärlek till min kropp). Anyone wishing to modify an item on the Swedish BAS-2, or use the revised Item 6, should contact Kristina Holmqvist Gattario or Ann Frisén for permission.
