Erasmus+ Blended Intensive Programme

Digital technology and crime: the crucial role of the human factor in Cybercrime

30th april, 04:30pm

Online component

Teaching Team

University of Porto, Faculty of Law: Inês Guedes,
Gilda Santos, André Leite, Inês Neves and Pedro Sousa

University Miguel Hernández of Elche: Fernando Miró-
Llinares and Ignacio Diaz

University of Leiden: Rutger Leukfeldt and Marco Romagna

06th to 10th May

Physical component

University of Porto, Faculty of Law

This program was designed to provide participants with a comprehensive understanding of diverse subjects on digital technology and criminology, giving special emphasis to the human factor. The practical component of the program allows students to translate theoretical concepts into actionable insights, demonstrating the ability to apply learned concepts to real-world scenarios.

Organizing team

Prof.^a Gilda Santos

Prof.^a Inês Sousa Guedes
