

## DOUBLE DEGREE – APPLICATIONS FOR MASTER STUDENTS

- 1) Students admitted in the **Master in Finance, Master in Management, Master in Data Analytics or the Master in Economics of Business and Strategy** can apply to a double degree from the moment they are in the provisional list of selected students to the master. The deadline for the **FIRST CALL** is the **6<sup>th</sup> of June**. Please apply [HERE](#).
- 2) The applicants will be pre-selected based on their rank position in the admission to the Master. Additional requirements, including interviews, may be enforced at later stages, upon rules specific to each Master.
- 3) Students will be informed by the master programme director about their pre-selection till the **13<sup>th</sup> of June** and thereafter will be nominated to the partner schools. Following the fulfilment of any additional requirements, in case the student is accepted, a letter of acceptance and the application procedures will be sent to FEP by the partner school. The student must apply according to the deadlines and application procedures of the partner school.
- 4) A formal application in SIGARRA will be due at a later stage, during the calls for a regular mobility period. Regardless of the contact by FEP mobility services (erasmus@fep.up.pt) in order to help formalizing the application to a mobility period, students should save the deadlines below.

| Programme                        | Application at SIGARRA due in    |
|----------------------------------|----------------------------------|
| SGH – Warsaw School of Economics | September (Master in Management) |
| All other double degrees         | 15 December to 15 January        |

**NOTE:** Students should verify the additional eligibility conditions and application procedures the detailed information about each double degree available in [FEP - Acordos internacionais](#)

- 5) In case the pre-selection slots are not fully occupied, there will be a second call till the **15<sup>th</sup> of November**. Students interested in this call should contact the Master director directly (extension of deadline may be possible upon decision by the Master Director).

The guidelines stated in this document should be read together with the specific rules and requirements of each double degree which are available in this link [FEP - Acordos internacionais](#)
