Observations :

Specific conditions to access the cycle of studies

The following may apply for this cycle of studies:

- Holders of a Bachelor's degree (Licenciatura) or legal equivalent.
- Holders of a foreign academic degree awarded as result of the completion of a 1st cycle of studies organized according to the principles of the Bologna Process by a State complying with this process;
- Holders of a foreign academic degree that is recognized as meeting the objectives of a 1st cycle degree by the competent scientific body of the higher education institution where they wish to be admitted to.

Knowledge of English, spoken and written.

Criteria and sub-criteria for selection and ranking of applicants

Test 1) Document Analysis:	20%
European CV (include level of English Proficiency) (20%) (see notes 2 and 3)	
Motivation letter* and Custom CV (50%) (written in English) (see notes 2 and 3)	
Letter of recommendation (1 or more) (30%)	
Test 2) Group test evaluated by two or more MIETE teachers or members of the MIETE Scientific Committee: Personal presentation of 5 minutes each, in groups of eight candidates (maximum), plus 1 to 2 minutes of questions from colleagues. (To assess, for example: English fluency, attitude, clarity of ideas and of discourse, empathy, reaction under pressure of questions, ability to correctly articulate questions.)	30%
Test 3) Individual interviews* evaluated by two or more MIETE teachers or members of the MIETE Scientific Committee. (To assess, for example: motivation, professional and personal availability, alignment of expectations.)	50%
Successful applicants cannot have a rating below 50% in any of the tests.	
Notes: 1. Despite the fact that the physical presence of applicants is preferred, test 2 and test 3 may be carried out by videoconference (SKYPE or other) or phone, whenever the applicant is outside the district of Porto or over 50 km away from Porto. 2. Keeping in mind what Steve Blank says "(...) There's nothing about a business that isn't rocket science to understand well enough within a certain period of time. I'm not asking you to become a heart surgeon, but it's not that hard to understand the tools a heart surgeon might need. (...) "(*)". The admission procedure will give preference to a candidate that is the inventor, or the aspiring entrepreneur whose academic background, professional or personal experience fosters some fluency in the interaction with the inventor. Proficiency in this process will be developed during the Master Program. (*) Further info: http://www.fe.up.pt/miete . 3. As a ranking criteria, preference will be given to applicants with an academic CV that reveals training in technological areas corresponding to a minimum of 6 ECTS credits. The following are considered technological areas: 01 Health sciences; 03 Natural sciences; 04 Physical sciences; 06 Technological sciences.	
Obs.: In the 1st and 2nd phases, only applicants with a ranking grade equal to, or higher than, 140 (on a scale from 0 to 200) will be admitted.	
* The interview will be scheduled by e-mail sent to the e-mail address indicated in the application.	
Applicants tie-breaking criterion	
Tie-breaking criterion is based on the result of Test 3.
