

Porto, 6 de julho

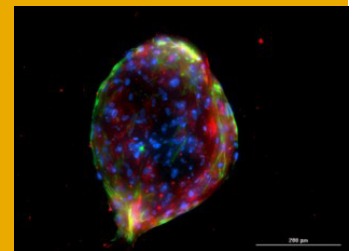

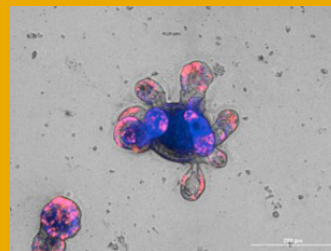

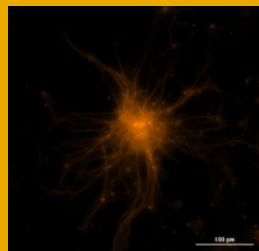

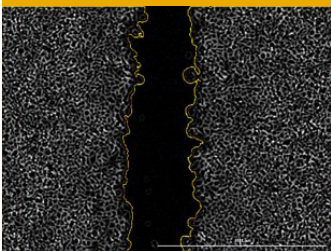

Faculdade Farmácia Univ. Porto

10:00h - 11:30h

Anfiteatro 8

# SEMINAR

## Take Your Research to the Next Dimension Cellular Imaging Seminar and Workshop

### Seminar topics include:

Introduction to BioTek Imaging Instrumentation

New Features in Gen5 Cellular Analysis Software

Imaging Applications using 2D and 3D Cell Culture Techniques

- T cell activation and 2D and 3D T Cell Mediated Cytotoxicity
- 2D and 3D Stem Cell Differentiation
- Multi-Parametric Cell Death
  - Mitochondrial Membrane Potential, Apoptosis, Necrosis
- 2D Scratch Wound Healing

### Speaker

**Brad Larson**

*Application Specialist Biotek*

**CYTATION 5**  
imaging reader
