## Name of the cycle of studies (CS)

3rd Cycle of Studies in Biomedicine

**A - Specific conditions for access to the cycle of studies**

*According to the general regulations for the 2nd and 3rd cycles at U.Porto, this information is the responsibility of the CS Scientific Committee and is subject to approval by the Faculty Director. An exception is made to **cycles of studies conjoint with other HEIs (Higher Education Institutions)**, to which apply the principles defined in the respective collaboration agreement, as well as in the specific regulation of the cycle of studies, formulated according to the Legal Regime of Higher Education Degrees and Diplomas (Portuguese Decree-Law nº 65/2018, of August 16th). Whenever possible, it should be mentioned the scientific areas of the qualifications required for the application.*

**Specific conditions for access to the cycle of studies**

The following are eligible to apply for access to the programme:

- a) Holders of a bachelor's/master's degree or legal equivalent in the areas of Medicine and other areas related to Biological and Health Sciences;
- b) Holders of a foreign higher academic degree awarded following a 1st cycle/2nd cycle of studies organised in accordance with the principles of the Bologna Process by a State adhering to this process, in the areas of Medicine and other areas linked to Biological and Health Sciences;
- c) Holders of a foreign higher academic degree in the areas of Medicine and other areas linked to Biological and Health Sciences, which is recognised as meeting the objectives of the Bachelor's/Master's degree through the process of recognition of their academic degree regulated by Decree-Law no. 66/2018;
- d) Holders of an academic, scientific or professional curriculum, which is recognised as attesting to the ability to carry out this CE by the scientific committee of the study cycle.

**B - Criteria and sub-criteria for selection and seriation of applicants**

*The selection and seriation criteria should be defined using clear, objective, easily applicable, and justifiable variables, to safeguard transparency and accuracy of the evaluation of applications. Criteria and sub-criteria assessment measured through a numerical scale allows a more objective evaluation of the applicants' academic/scientific/artistic/professional potential and capacity.*

**Criteria and subcriteria for selection and seriation of applicants**

A. Candidates for enrolment will be prioritised by the Scientific Committee, taking into account the candidate's basic training and curriculum vitae. Candidates will be ranked on the basis of their final degree classification, obtaining a master's degree; relevance of the scientific curriculum and professional experience:

A1. Degree classification - 25% (<14 points - 0; 14 to 15 points - 1; 16 to 17 points - 2; >=18 points - 3);

A2. Master's degree - 25% (no Master's degree - 0; 14 to 16 points - 1; 17 to 18 points - 2; 19 to 20 points - 3);

A3. Scientific curriculum - 35% (classification from 1 to 3, valuing the candidate's scientific activity, namely involvement in research projects and scientific production): no publications - 0; communications - 1; international publications as co-author - 2; international publications as 1st author - 3.

A4. Professional CV - 15 % (score from 0 to 2, valuing professional experience: no experience - 0; limited experience - 1; relevant experience - 2).

B. B. Candidates with the highest score in the curricular assessment will be called for a face-to-face interview (50 per cent).

The number of candidates to be called for interview will be defined by the Scientific Committee according to the number of vacancies and candidates.

C. The final ranking will be determined by the average of the curricular assessment and the interview.
