

ACADEMIC

YEAR

2024/2025

Name of the cycle of studies (CS)

3rd Cycle of Studies in Experimental and Clinical Pharmacology and Toxicology

A - Specific conditions for access to the cycle of studies

*According to the general regulations for the 2nd and 3rd cycles at U.Porto, this information is the responsibility of the CS Scientific Committee and is subject to approval by the Faculty Director. An exception is made to **cycles of studies conjoint with other HEIs (Higher Education Institutions)**, to which apply the principles defined in the respective collaboration agreement, as well as in the specific regulation of the cycle of studies, formulated according to the Legal Regime of Higher Education Degrees and Diplomas (Portuguese Decree-Law nº 65/2018, of August 16th). Whenever possible, it should be mentioned the scientific areas of the qualifications required for the application.*

Specific conditions for access to the cycle of studies

The following are eligible to apply for the programme:

- a) Holders of a bachelor's/master's degree or legal equivalent in the areas of Health and other areas related to Biological and Health Sciences, with a minimum classification of 14 points, obtained at Portuguese and/or foreign universities;
- b) Holders of a foreign higher academic degree awarded following a 1st cycle/2nd cycle of studies organised in accordance with the principles of the Bologna Process by a State adhering to this process, in the areas of Health and others linked to Biological Sciences and health;
- c) Holders of a foreign higher academic degree in the areas of health and others linked to biological sciences and health that is recognised as meeting the objectives of the bachelor's/master's degree through the process of recognition of their academic degree regulated by Decree-Law no. 66/2018;
- d) Holders of an academic, scientific or professional curriculum, which is recognised as attesting to the ability to carry out this CE by the scientific committee of the study cycle.

B - Criteria and sub-criteria for selection and seriation of applicants

The selection and seriation criteria should be defined using clear, objective, easily applicable, and justifiable variables, to safeguard transparency and accuracy of the evaluation of applications. Criteria and sub-criteria assessment measured through a numerical scale allows a more objective evaluation of the applicants' academic/scientific/artistic/professional potential and capacity.

Criteria and subcriteria for selection and seriation of applicants	
<p>Candidates will be judged on the basis of their CV and interview, with equal weighting (50% each).</p> <p>CV</p> <p>When analysing the curriculum vitae, the professional curriculum vitae and the scientific curriculum vitae are taken into account. The professional curriculum, in the areas of medicine, pharmaceutical sciences and biomedical sciences, is valued as follows:</p> <p>Professional CV</p> <p>a) Professional experience in the respective area (measured in full-time equivalents): more than one year = 2 points; and up to one year = 1 point;</p> <p>b) Research grant holder: 1 point;</p> <p>c) None of the above: 0 points.</p> <p>Scientific CV</p> <p>a) For each publication in an international journal with editorial arbitration: 10 points;</p> <p>b) For each publication in a Portuguese journal: 5 points;</p> <p>c) For each communication at international congresses: 3 points;</p> <p>d) For each communication at national congresses: 2 points;</p> <p>e) No publications: 0 points</p>	50%

INTERVIEW

The interview is conducted to assess availability of time, professional knowledge, ease of communication and command of the English language. Each item is assessed on a scale of 0 to 3 (0 = unfavourable; 1 = favourable with reservations; 2 = favourable; 3 = very favourable) and the sum is calculated.

50%

Applicant's tie-breaking criteria (can be the ranking of some elements of the previous table)

In the event of a tie, the CV will prevail
