

Tender for access and admission in the cycle of studies conducive to Master Degree in Veterinary Medicine by International Students – 2023/2024

NOTICE

Henrique José Cyrne de Castro Machado Carvalho, Director of the School of Medicine and Biomedical Sciences (ICBAS) of the University of Porto, makes it known that will occur, on the dates indicated below, the application periods to the special tender of access and admission by international students in the cycle of studies of the Master Degree in Veterinary Medicine, which are governed by the following conditions and, when omissive, in the predicted conditions of Decree-Law No. 36/2014, of 10th March, in the composition given by Decree-Law No. 62/2018, of 6th August, in the Regulation of International Student's Statute of the University of Porto, and also on ICBAS webpage dedicated to this tender.

1. INTERNATIONAL STUDENT

For the purpose of this tender international students are those who don't have Portuguese nationality.

Are not covered by this regime and cannot apply through this tender:

- a) Nationals of a Member State of the European Union;
- b) Relatives of Portuguese or of nationals of a Member State of the European Union, regardless their nationality;
- c) Those who, not being nationals of a Member State of the European Union and not being covered by the previous paragraph, reside legally in Portugal for more than two years, continuously, at 1st January of the year they intend to enter higher education, as well as the sons that reside legally with them;
- d) Beneficiaries, at 1st January of the year they intend to enter higher education, of equal status of rights and duties granted under the international treaty awarded between the Portuguese State and the State of their nationality;
- e) Those who require admission in higher education through special regimes of access and admission governed by Decree-Law No. 393-A/99, of 2nd October, amended by Decree-Law No. 272/2009, of 1st October.

Are not equally covered foreign students that attend a Portuguese institution of higher education in the scope of an international mobility program to carry out part of a cycle of studies of a foreign institution of higher education with whom the Portuguese institution has established an exchange agreement with that purpose.

Note:

When an applicant has two or more nationalities and one of them is Portuguese, only this one counts for purposes of the current Tender and he/she cannot apply through this regime;

In case the student with two or more nationalities, where the Portuguese nationality is not included, has nationality of another Member State of the European Union and of an extra-Community State, may choose from one of them.

2. QUALITY OF INTERNATIONAL STUDENT

International students keep the respective quality until the end of the cycle of studies in which they first enrolled or so they transit, with exception of those who, meanwhile, acquires nationality of a Member State of the European Union, in which case the end of the applicability of international student status take effect in the subsequent academic year to the acquisition date of the nationality.

3. ACCESS CONDITIONS

3.1. WHO MAY APPLY

May apply to registration and enrolment in the cycle of studies of master international students:

- a.
