Multivariable Calculus

## Multiple choice questions

Multivariable Calculus

LAP Lambert Academic Publishing ( 2022-04-28 )

€ 68,90

Buy at the MoreBooks! Shop

This book is intended for exam preparation. It contains three chapters with multiple-choice questions about: differential calculus, double integration and triple integration. For each question it is presented the correct answer. It also contains appendices about, properties about functions and their graphs, rules of differentiation of real functions with the corresponding deduction, and finally it presents algebraic properties of some rules of operations with real numbers.
