NEW EXTERNALLY FUNDED R&D PROJECTS 2013-2015

457 externally funded R&D projects have been approved at U.Porto (i.e. from Faculties or R&D Units based in the Faculties) between 2013 and 2015.

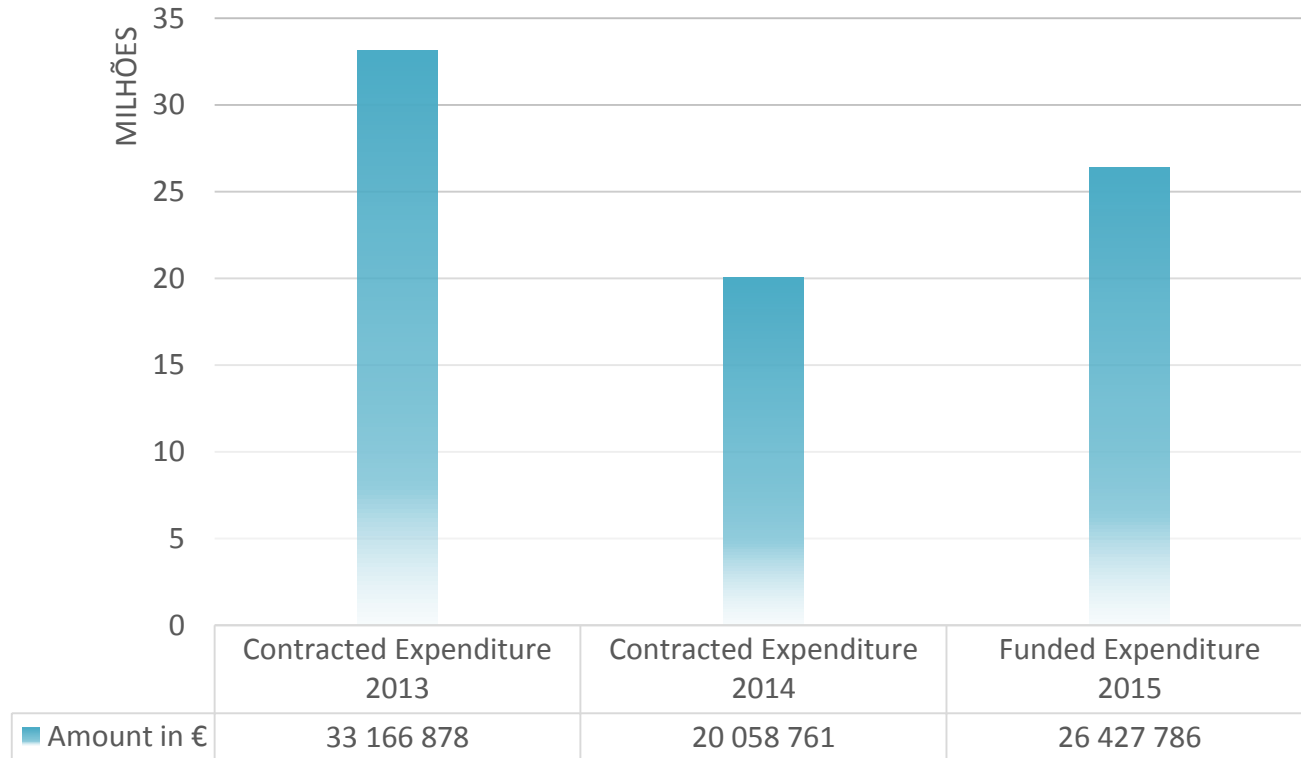

NEW EXTERNALLY FUNDED R&D PROJECTS 2013-2015 BY FACULTY

Half of the projects were promoted by FEUP and FCUP or their R&D Units.

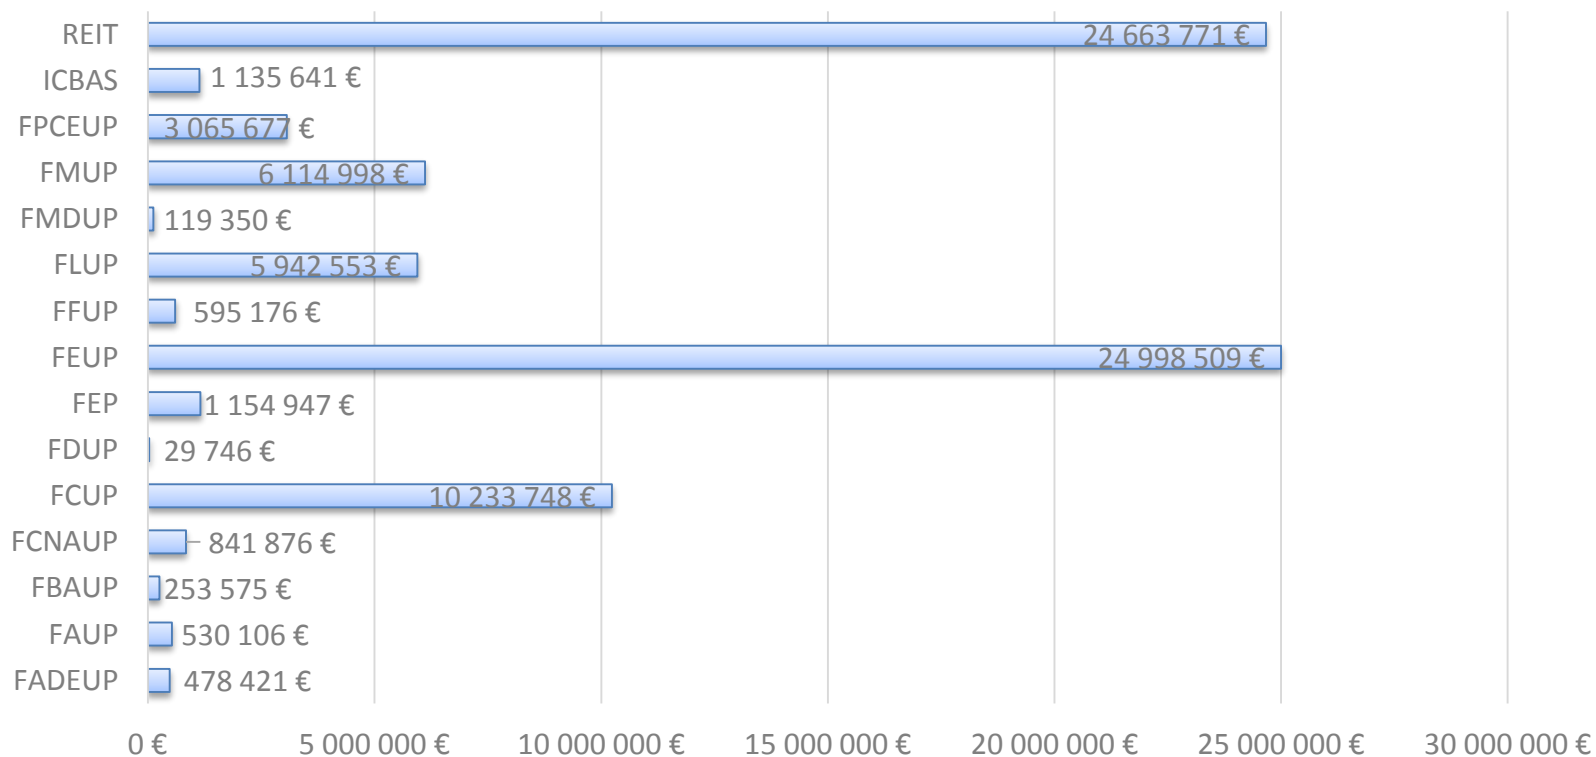

AMOUNT OF CONTRACTED EXPENDITURE WITHIN NEW PROJECTS 2013-2015

The 457 projects raised a total amount of 79.6 M€ of contracted expenditure.

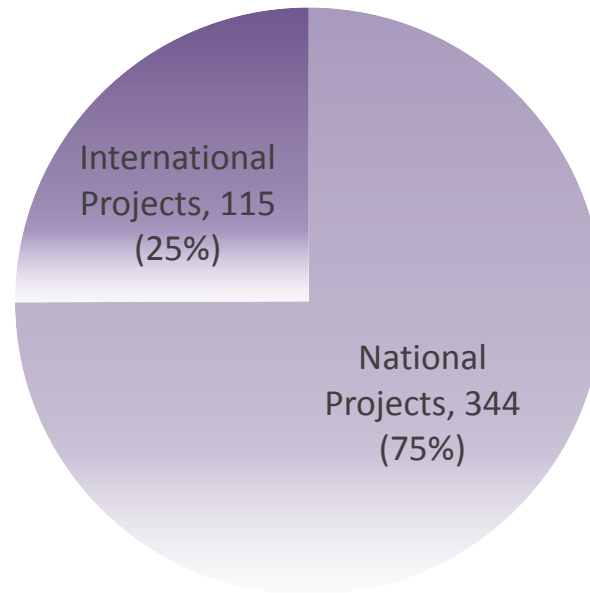

AMOUNT OF CONTRACTED EXPENDITURE WITHIN NEW PROJECTS 2013-2015 BY FACULTY

The Rectorate (REIT) presents a great amount of contracted expenditure as it is in charge of managing R&D projects which fund important infrastructures.

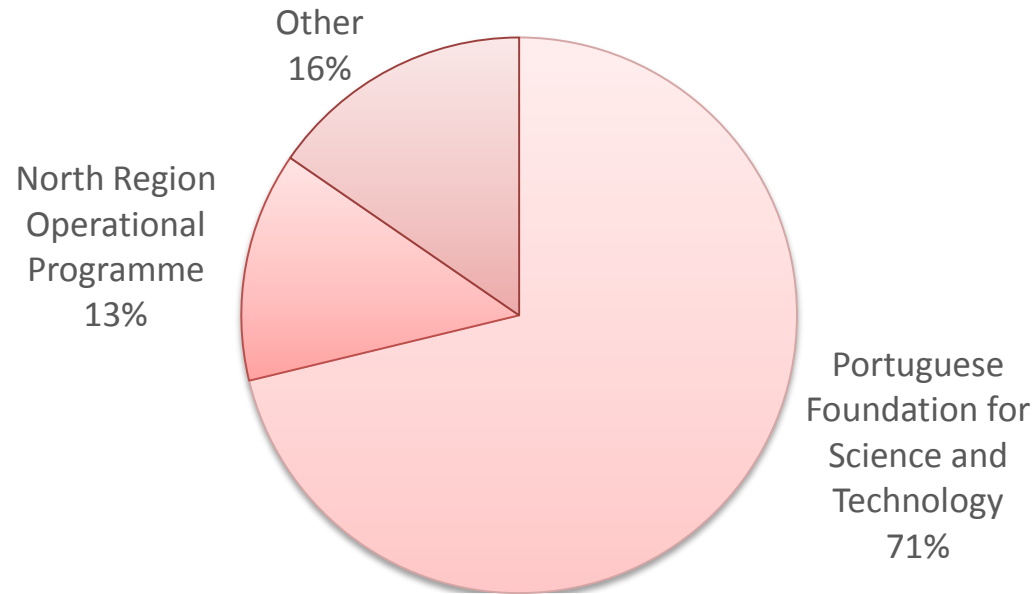

NEW EXTERNALLY FUNDED PROJECTS 2013-2015 NATIONAL VS. INTERNATIONAL PROJECTS

The vast majority of the 457 projects are funded by Portuguese entities, even though involving community funds.

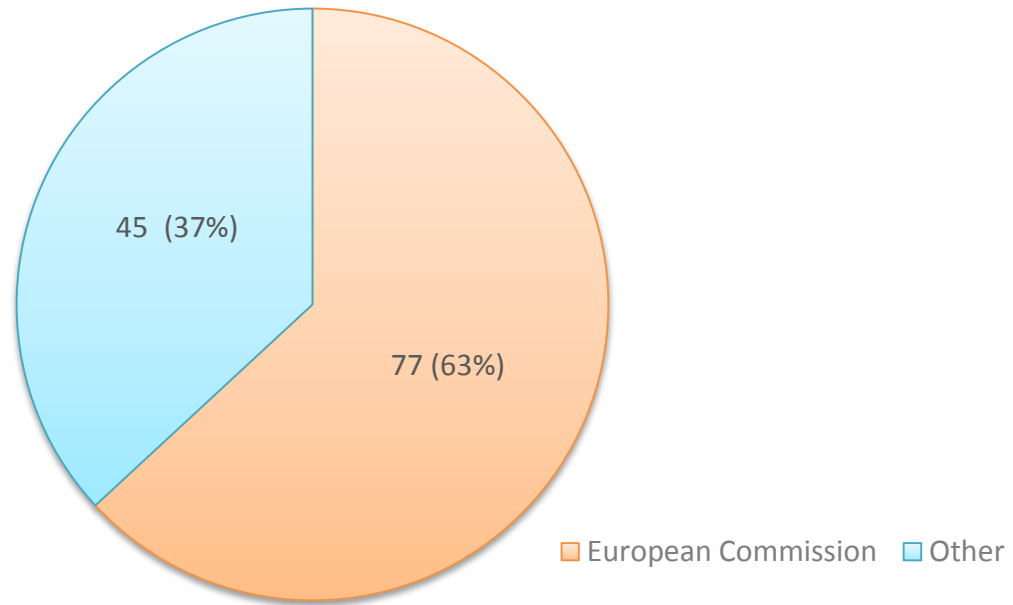

NEW EXTERNALLY FUNDED PROJECTS 2013-2015 NATIONAL FUNDING SOURCES

The vast majority of projects are funded by the Portuguese Foundation for Science and Technology.

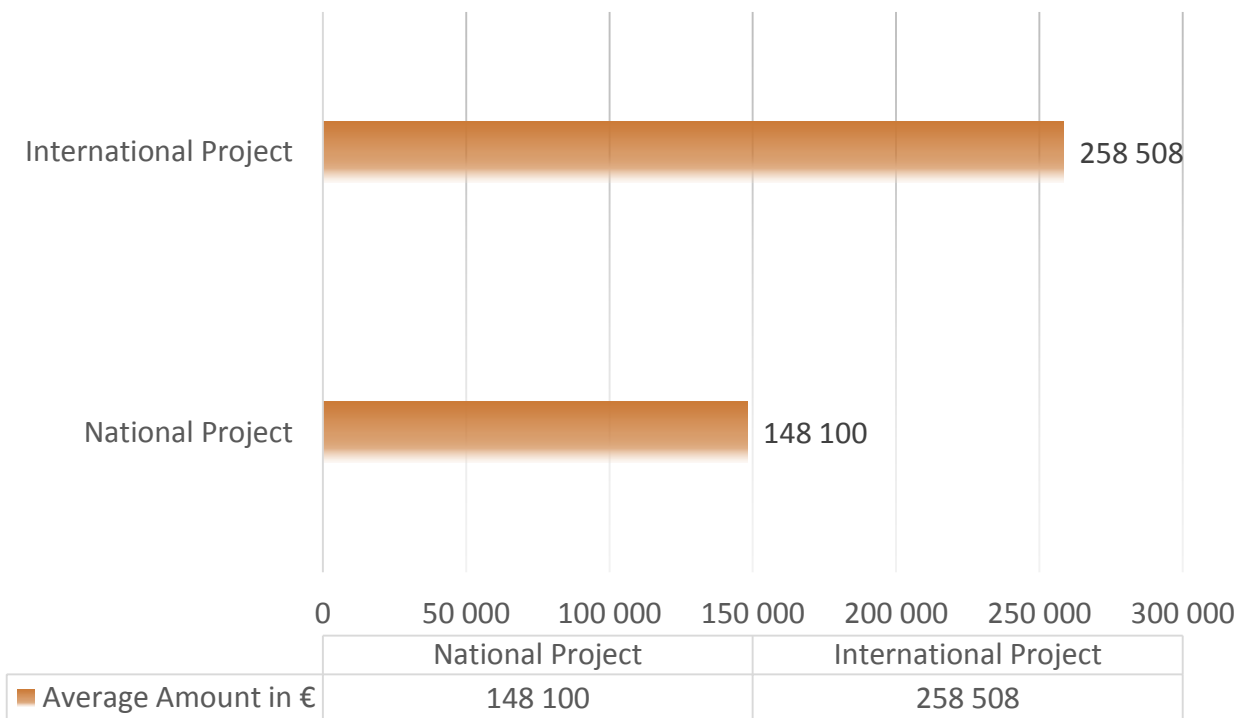

NEW EXTERNALLY FUNDED PROJECTS 2013-2015 INTERNATIONAL FUNDING SOURCES

The vast majority of projects are funded by agencies linked to the European Union.

AVERAGE AMOUNT OF CONTRACTED R&D EXPENDITURE 2013-2015

In national projects, the amount of funded expenditure is lower (nearly half) than the funded expenditure of international projects.
