List of R&D units per scientific area

Arts and Humanities

Art Studies

Center for Architecture and Urban Studies (CEAU)

Host institution: University of Porto - Faculty of Architecture

Evaluation: Very Good

Researchers in 2006: 30 | Eligible PhDs in 2006: 18

Literature Studies

Institute of English Studies (IEI)

Host institution: University of Porto - Faculty of Arts

Evaluation: Good

Researchers in 2006: 17 | Eligible PhDs in 2006: 9

Institute of Comparative Literature Margarida Losa (ILC)
Host institution: University of Porto - Faculty of Arts
Evaluation: Very Good
Researchers in 2006: 24 | Eligible PhDs in 2006: 9

Literary Studies Centre - Text, Criticism, Mentalities (NEL-TCM)
Host institution: University of Porto - Faculty of Arts
Evaluation: Good
Researchers in 2006: 18 | Eligible PhDs in 2006: 7

Philosophy

Institute of Philosophy (IF)
Host institution: University of Porto - Faculty of Arts
Evaluation: Excellent
Researchers in 2006: 59 | Eligible PhDs in 2006: 25.5

History

Centre of Archaeological Studies of Coimbra and Porto Universities (CEAUCP)
Host institution: University of Coimbra - Faculty of Arts
Evaluation: Very Good
Researchers in 2006: 23 | Eligible PhDs in 2006: 11

Study Centre of Population, Economy and Society (CEPESE)
Host institution: Centre of Population, Economy and Society Studies (CEPESE)
Evaluation: Very Good
Researchers in 2006: 122 | Eligible PhDs in 2006: 79

History Research Centre - FLUP
Host institution: University of Porto - Faculty of Arts
Evaluation: Good
Researchers in 2006: 15 | Eligible PhDs in 2006: 13

Interuniversity Centre for History of Spirituality (CIUHE)
Host institution: University of Porto - Faculty of Arts
Evaluation: Good
Researchers in 2006: 21 | Eligible PhDs in 2006: 15

Study Group of the History of Wine and Douro Valley Viticulture (GEHVID)
Host institution: University of Porto - Faculty of Arts
Evaluation: Good
Researchers in 2006: 58 | Eligible PhDs in 2006: 14

Institute of Modern History of the University of Porto (IHM-UP)
Host institution: University of Porto - Faculty of Arts
Evaluation: Fair
Researchers in 2006: 13 | Eligible PhDs in 2006: 6

Psychology

Research Centre for Psychology of Deviant Behaviour and Health
Host institution: University of Porto - Faculty of Psychology and Educational Sciences
Evaluation: Fair
Researchers in 2006: 17 | Eligible PhDs in 2006: 9

Psychology Centre of the University of Porto (CPUP)
Host institution: University of Porto - Faculty of Psychology and Education Science
Evaluation: Very Good
Researchers in 2006: 133 | Eligible PhDs in 2006: 42

Engineering and Technology Sciences

Materials Science and Engineering

Metallic Materials Group of the Institute of Materials (GMM-IMAT)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Good

Researchers in 2006: 9 | Eligible PhDs in 2006: 7

Institute for Biomedical Engineering (INEB)

Host institution: Institute of Biomedical Engineering

Evaluation: Associated Laboratory

Researchers in 2006: 89 | Eligible PhDs in 2006: 30

Civil Engineering

Construction Studies Centre (CEC)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Good

Researchers in 2006: 93 | Eligible PhDs in 2006: 38.5

Hydraulics, Water Resources and Environment Research Centre (CEHRA)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Good

Researchers in 2006: 30 | Eligible PhDs in 2006: 9

Research Centre for Territory, Transports and Environment (CITTA)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Good

Researchers in 2006: 29 | Eligible PhDs in 2006: 11

Laboratory for the Concrete Technology and Structural Behaviour (LABEST)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Very Good

Researchers in 2006: 44 | Eligible PhDs in 2006: 14

Electrical and Computer Engineering

Institute for Systems and Computer Engineering of Porto (INESC Porto)

Host institution: Institute of Systems and Computers Engineering of Porto (INESC Porto)

Evaluation: Associated Laboratory

Researchers in 2006: 193 | Eligible PhDs in 2006: 75

Institute for Systems and Robotics – Porto (ISR - Porto)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Very Good

Researchers in 2006: 82 | Eligible PhDs in 2006: 29

Artificial Intelligence and Computer Science Laboratory (LIACC)

Host institution: University of Porto

Evaluation: Very Good

Researchers in 2006: 111 | Eligible PhDs in 2006: 41

Laboratory of Signals and Systems (LSS)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Good

Researchers in 2006: 22 | Eligible PhDs in 2006: 4

Mechanical Engineering

Centre for Wind Energy and Atmospheric Flows (CEEEEA)

Host institution: University of Porto - Faculty of Engineering

Evaluation: Very Good

Researchers in 2006: 14 | Eligible PhDs in 2006: 7

Transport Phenomena Research Center (CEFT)
Host institution: University of Porto - Faculty of Engineering
Evaluation: Very Good
Researchers in 2006: 29 | Eligible PhDs in 2006: 10

Experimental Mechanics and New Materials (EXPMAT - INEGI)
Host institution: Institute of Mechanical Engineering and Industrial Management (INEGI)
Evaluation: Associated Laboratory
Researchers in 2006: 63 | Eligible PhDs in 2006: 31

New Technologies and Advanced Production Process (NOTEPAD - INEGI)
Host institution: Institute of Mechanical Engineering and Industrial Management (INEGI)
Evaluation: Associated Laboratory
Researchers in 2006: 17 | Eligible PhDs in 2006: 7

Unit of Design and Experimental Validation (UCVE - IDMEC)
Host institution: Institute of Mechanical Engineering (IDMEC – FEUP Campus)
Evaluation: Very Good
Researchers in 2006: 37 | Eligible PhDs in 2006: 16

Unit of Advanced Studies on Energy in Built Environmental (UEAEAC - IDMEC)
Host institution: Institute of Mechanical Engineering (IDMEC - FEUP Campus)
Evaluation: Associated Laboratory
Researchers in 2006: 12 | Eligible PhDs in 2006: 5

Systems Integration and Process Automation Unit (UISPA - IDMEC)
Host institution: Institute of Mechanical Engineering (IDMEC - FEUP Campus)
Evaluation: Associated Laboratory
Researchers in 2006: 22 | Eligible PhDs in 2006: 15

Unit for Numerical Methods in Mechanics and Structural Engineering (CENUME - IDMEC)
Host institution: Institute of Mechanical Engineering (IDMEC - FEUP Campus)
Evaluation: Good
Researchers in 2006: 10 | Eligible PhDs in 2006: 9

New Energy Technologies Unit (UNTE - IDMEC)
Host institution: Institute of Mechanical Engineering (IDMEC - FEUP Campus)
Evaluation: Good
Researchers in 2006: 5 | Eligible PhDs in 2006: 5

Chemical Engineering and Biotechnology

Laboratory of Catalysis and Materials (LCM)
Host institution: University of Porto - Faculty of Engineering
Evaluation: Associated Laboratory
Researchers in 2006: 20 | Eligible PhDs in 2006: 11

Laboratory for Process, Environment and Energy Engineering (LEPAE)
Host institution: University of Porto - Faculty of Engineering
Evaluation: Excellent
Researchers in 2006: 84 | Eligible PhDs in 2006: 24

Laboratory of Separation and Reaction Engineering (LSRE)
Host institution: University of Porto - Faculty of Engineering
Evaluation: Associated Laboratory
Researchers in 2006: 73 | Eligible PhDs in 2006: 36

Health Sciences

Research Centre of Organic Chemistry, Phytochemistry and Pharmacology (CEQOFFUP)
Host institution: University of Porto - Faculty of Pharmacy
Evaluation: Very Good
Researchers in 2006: 27 | Eligible PhDs in 2006: 14

Centre of Pharmacology and Chemical Biopathology (CFBQ)
Host institution: University of Porto - Faculty of Medicine
Evaluation: Excellent
Researchers in 2006: 34 | Eligible PhDs in 2006: 19

Research Centre in Physical Activity, Health and Leisure (CIAFEL)
Host institution: University of Porto - Faculty of Sports Sciences and Physical Education
Evaluation: Good
Researchers in 2006: 26 | Eligible PhDs in 2006: 12

Centre for Research in Health Technologies and Information Systems (CINTESIS)
Host institution: University of Porto - Faculty of Medicine
Evaluation: Good
Researchers in 2006: 18 | Eligible PhDs in 2006: 10

Centre of Experimental Morphology (CME)
Host institution: University of Porto - Faculty of Medicine
Evaluation: Very Good
Researchers in 2006: 26 | Eligible PhDs in 2006: 8

Institute for Molecular and Cell Biology (IBMC)
Host institution: Institute of Molecular and Cellular Biology
Evaluation: Associated Laboratory
Researchers in 2006: 407 | Eligible PhDs in 2006: 152.5

Institute of Molecular Pathology and Immunology of the University of Porto (IPATIMUP)
Host institution: Institute of Pathology Molecular Immunology of the University of Porto (IPATIMUP)
Evaluation: Associated Laboratory
Researchers in 2006: 66 | Eligible PhDs in 2006: 57

Cardiovascular Research and Development Unit (UIDCV)
Host institution: University of Porto - Faculty of Medicine
Evaluation: Excellent
Researchers in 2006: 107 | Eligible PhDs in 2006: 36

Nephrology Research and Development Unit (UIDN)
Host institution: University of Porto - Faculty of Medicine
Evaluation: Very Good
Researchers in 2006: 23 | Eligible PhDs in 2006: 7

Research and Education Unit on Aging (UnifAI)
Host institution: University of Porto - Institute of Biomedical Sciences Abel Salazar
Evaluation: Fair
Researchers in 2006: 17 | Eligible PhDs in 2006: 8

Unit for Multidisciplinary Investigation in Biomedicine (UMIB)
Host institution: University of Porto - Institute of Biomedical Sciences Abel Salazar
Evaluation: Very Good
Researchers in 2006: 73 | Eligible PhDs in 2006: 23

Exact Sciences

Physics

Centre for Astrophysics of the University of Porto (CAUP)
Host institution: Centre of Astrophysics of the University of Porto (CAUP)
Evaluation: Excellent
Researchers in 2006: 43 | Eligible PhDs in 2006: 20

The Theoretical Physics Center at University of Porto (CFP)
Host institution: University of Porto - Association for the Development of the Faculty of Sciences of Porto
Evaluation: Good
Researchers in 2006: 27 | Eligible PhDs in 2006: 11

Institute of Physics of Materials of the University of Porto (IFIMUP – IMAT Campus - Porto)
Host institution: University of Porto - Rectory
Evaluation: Associated Laboratory
Researchers in 2006: 45 | Eligible PhDs in 2006: 25

Mathematics

Centre of Mathematics of the University of Porto (CMUP)
Host institution: University of Porto - Faculty of Sciences
Evaluation: Excellent
Researchers in 2006: 83 | Eligible PhDs in 2006: 58

Chemistry

Chemistry Research Centre of the University of Porto (CIQ)
Host institution: University of Porto - Faculty of Sciences
Evaluation: Excellent
Researchers in 2006: 93 | Eligible PhDs in 2006: 38

Centre for Chemistry of the University of Porto (CEQUP)
Host institution: Institute of Agricultural and Agri-foodstuffs Sciences and Technologies (ICETA)
Evaluation: Associated Laboratory
Total of the Associated Laboratory REQUIMTE: Researchers in 2006: 429 | Eligible PhDs in 2006: 232

Inorganic Chemistry Laboratory of Pure and Interdisciplinary Applications (LAQUIPAI)
Host institution: University of Porto - Association for the Development of the Faculty of Sciences of Porto
Evaluation: Good
Researchers in 2006: 5 | Eligible PhDs in 2006: 4

Natural Sciences

Agricultural Sciences

Research Centre for Animal Science (CECA)
Host institution: Institute of Agricultural and Agri-foodstuffs Sciences and Technologies (ICETA)
Evaluation: Good
Researchers in 2006: 68 | Eligible PhDs in 2006: 24

Biological Sciences

Research Centre in Biodiversity and Genetic Resources (CIBIO)
Host institution: Institute of Agricultural and Agri-foodstuffs Sciences and Technologies (ICETA)
Evaluation: Very Good
Researchers in 2006: 136 | Eligible PhDs in 2006: 43

Earth and Space Sciences

Geology Centre of the University of Porto (CGUP)
Host institution: University of Porto - Faculty of Sciences
Evaluation: Very Good
Researchers in 2006: 39 | Eligible PhDs in 2006: 18

Geo-Space Sciences Research Centre (CICGE)
Host institution: University of Porto - Association for the Development of the Faculty of Sciences of Porto
Evaluation: Very Good
Researchers in 2006: 22 | Eligible PhDs in 2006: 14

Research Centre CIGAR
Host institution: University of Porto - Faculty of Engineering
Evaluation: Good
Researchers in 2006: 23 | Eligible PhDs in 2006: 17

Marine Sciences

Centre for Marine and Environmental Research (CIIMAR)

Host institution: University of Porto - Rectory

Evaluation: Associated Laboratory

Total of the associated laboratory CIMAR: Researchers in 2006: 430 | Eligible PhDs in 2006: 149

Social Sciences

Communication Sciences

Centre for Studies in Technologies, Arts and Communication Sciences (CETAC.COM)

Host institution: University of Porto - Faculty of Arts

Evaluation: Fair

Researchers in 2006: 34 | Eligible PhDs in 2006: 14

Educational Sciences

Centre for Research and Intervention in Education (CIIE)

Host institution: University of Porto - Faculty of Psychology and Education Science

Evaluation: Very Good

Researchers in 2006: 114 | Eligible PhDs in 2006: 30

Linguistics

Linguistics Centre of the University of Porto (CLUP)

Host institution: University of Porto- Faculty of Arts

Evaluation: Very Good

Researchers in 2006: 36 | Eligible PhDs in 2006: 17

Law and Political Sciences

Centre for Legal and Economic Research (CIJE)

Host institution: University of Porto

Evaluation: Very Good

Researchers in 2006: 24 | Eligible PhDs in 2006: 12

Economics and Management

Research Centre in Industrial, Labour and Managerial Economics (CETE)

Host institution: University of Porto - Faculty of Economics

Evaluation: Very Good

Researchers in 2006: 28 | Eligible PhDs in 2006: 23

Centre for Macroeconomic and Forecasting Studies (CEMPRE)

Host institution: University of Porto - Faculty of Economics

Evaluation: Very Good

Researchers in 2006: 36 | Eligible PhDs in 2006: 23

Unit of Management and Industrial Engineering (UGEI - IDMEC)

Host institution: Institute of Mechanical Engineering (IDMEC – FEUP Campus)

Evaluation: Fair

Researchers in 2006: 21 | Eligible PhDs in 2006: 6.5

Educational Policies

Centre for Research in Higher Education Policies (CIPES)

Host institution: Portuguese Universities Foundation

Evaluation: Excellent

Researchers in 2006: 24 | Eligible PhDs in 2006: 15

Sociology, Anthropology, Demography and Geography

Centre of African Studies of the University of Porto (CEAUP)

Host institution: University of Porto - Faculty of Arts

Evaluation: Good

Researchers in 2006: 31 | Eligible PhDs in 2006: 15

Institute of Sociology of the Faculty of Arts of the University of Porto

Host institution: University of Porto - Faculty of Arts

Evaluation: Fair

Researchers in 2006: 39 | Eligible PhDs in 2006: 16
